

Our Board members have personally interviewed nearly every candidate on your ballot. We evaluate them impartially against our core principles of limited government, personal & fiscal responsibility, rule of law, and national sovereignty. Our mailer is funded 100% by individual donors, which means candidates cannot buy our support. Often times, our Board members do not agree 100%, but one or two candidates always rise to the top. This election, we've had almost complete unanimity! We share our choices with you so that you can make an educated decision of your own. We'll never tell you how to vote, but we'll do all we can to help you make your own responsible choices. The Board member votes provided below are out of a possible 7 votes, and we've only included contested races.

Remember: these are not endorsements. We all must pick someone, and this is who it is for us. Please research and vote wisely!
